### The Presentation

It has been said that you don’t know where you’re going if you don’t know where you’ve been. For [Triple E Recreational Vehicles](#), it started almost 50 years ago with a little 13-foot travel trailer with sloping curves and a quaint appearance.

Today, Triple E RV and Leisure Travel Vans is one of the most innovative manufacturers of Class B and C motorhomes with a reputation for building the best quality RV’s in the industry, built right here in Winkler, Manitoba.

The presentation will include some information about the company and the manufacturing that occurs in Winkler. There will also be an opportunity to see one or more of their many models up-close.

No open toe shoes for the tour, please.

### Directions or Car Pool

For those leaving from Winnipeg, take Highway 75 South to Highway 14. Then take Highway 14 West. See the map on Page 2 for directions within the town of Winkler. Triple E is approximately 80 minutes from the southern side of Winnipeg.

For those interested in carpooling to and from Winnipeg, please meet at the McDonald’s at 3045 Pembina Highway at 5:00 PM. From there, we can quickly arrange car pools. It is suggested to provide the driver of your carpool \$5.00 for mileage.
